Hi Brian,

Thank you for sending the draft temperature assessment summary. We appreciate the chance to review your memo and will see you tomorrow at the DEQ Office.

**Subject:** Draft temperature assessment for Clearwater Paper

Cynthia (cc AJ):

In preparation for our meeting tomorrow (before A.J. and I visit the mill), here is a draft memo that summarizes my work to verify that the temperature limits in the 2005 permit remain protective.

It references the 2005 Temperature Assessment. I'm also attaching that for your convenience.

Thanks,

Brian Nickel, E.I.T.
